

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

S.No	Year	Title of the program	Date	Beneficiary	No.of Participants
1	2024	Association Inauguration- TESLA	30/08/24	All years	119
2		Value Added Course On " Mastering in PCB Design " and Hands Training	19/08/24 to 24/08/24	Third Year	49
3		A seminar on Entrepreneurial Edge on Strategies for Standing out in the Start-up World organised by IIC	21/06/24	All years	112
4		Guest lecture on Microprocessor and Microcontroller	06/04/24 to 13/04/24	Third Year	52
		Value Added Course On "IoT and Embedded Systems applications" in Electrical Engineering	26/03/24 to 16/04/24	Second year	52
5	2023	Guest lecture on Control systems	14/12/23	Third Year	52
		Guest lecture on Power Electronics	02/11/23	Third year	45
6		Association Inauguration- TESLA	07/10/23	All years	150
7		Guest lecture on "Power System Analysis"	06/10/23	Third year	45
8		Value Added Course On " Industry Standard PCB Design "	07/08/23 to 28/08/23	Third and Final Year	98
